WORDS: THEIR SPELLING, PRONUNCIATION, DEFINITION AND APPPLICATON (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Words: Their Spelling, Pronunciation, Definition and Applicaton Poor spelling has been justly termed the reproach of American schools, and the attention that spelling is now receiving from schools of all grades, including colleges and universities, shows the importance that is attached to this subject. Words is the outgrowth of an urgent need of a speller adapted to the requirements of commercial schools, where much has to be thoroughly accomplished in a brief period of time. These lists have been greatly enlarged in the revised edition by the addition of Biz chapters. Words was prepared by two teachers of long experience in commercial school lines, the lists of words having been drawn largely from experience in correcting transcripts of students. Thoughtful educators are agreed that sight has quite as much, if not more, to do with learning spelling than anything else, and that, . therefore, the great advantage of this fact should be utilized in teaching. Another, and fully as important a consideration, is teaching the words in sentences. These two fundamental principles underlie the plan of Words. They have been strengthened by a logical mechanical arrangement and the utilization of every psychological aid possible to secure the best results with the least effort. Words possesses many distinctive advantages over other spelling texts. The following features embody important improvements which will, we are sure, appeal with special force to every discriminating and progressive teacher: 1. It presents the words in the first column as commonly seen in print, without diacritical marks or division in syllables, thus giving a correct first impression of the word. 2. The word is marked diacritically in the second column, in accordance...
