

Mother Folly: A Tale (Hardback)

Filesize: 1.99 MB

Reviews

A must buy book if you need to adding benefit. It is really simplified but shocks in the 50 percent of the pdf. I found out this pdf from my i and dad recommended this publication to learn.

MOTHER FOLLY: A TALE (HARDBACK)

Stanford University Press, United States, 2014. Hardback. Book Condition: New. 242 x 162 mm. Language: English . Brand New Book. If your mentally ill patient dies, are you to blame? For Dr. Francoise Davoine, a Parisian psychoanalyst, this question becomes disturbingly real as one of her patients commits suicide on the eve of All Saints Day. She herself has a crisis, as she reflects on her thirty-year career and questions whether she should ever return to the hospital. But return she does, and thus commences a strange voyage across several centuries and countries, in which patients, fools, and the actors of medieval farces rise up from the past along with great thinkers who represent the author's own philosophical and literary sources: the humanist Erasmus, mathematician Rene Thom, writer Antonin Artaud, philosopher Ludwig Wittgenstein, and physicist Edwin Schrodinger, to name a few. Imaginary dialogues ensue as the analyst conjures up an interconnected world, where apiculture, wondrous rituals, theater, and language games illuminate her therapeutic practice as well as her personal history. Deeply affected by her voyage of discovery, the author becomes capable of implementing the teachings of psychotherapist Gaetano Benedetti, a mentor she visits at carnival time on a final fictional stopover in Switzerland. His advice, that the analyst become the equal of her patients and immerse herself in their madness so as to open up a space for treatment, is premised on the belief that individual illness is a reflection and result of severe historical trauma. *Mother Folly*, which ends on a positive note, is an important intervention in the debate about how to treat the mentally ill, particularly those with psychosis. A practicing analyst and a skilled reader of literary and philosophical texts, Davoine provides a humane antidote to our increasingly mechanized and drug-reliant system of dealing with...
