Brand New Book ***** Print on Demand *****.Excerpt from The Age of Lead: A Satire There exists between a Critic and a Satirist, nearly the degree of difference that lies between a Poacher and a Sportsman. Your Satirist is a professed author, he takes his regular stand with the Genus irritabile, and his subject chances to be men and manners. Your critic, on the contrary, is a mere irregular, a hanger on, a skinner, (with a vengeance) to the noble army of Literary Martyrs. It is as a Satirist that I have depicted, to her Majesty s liege subjects, the lamentable age in which they have the misfortune to exist, and have done my utmost to reform them altogether. It may be, that in these times of fancied improvement and feigned intelligence, a Satire called the Age of Lead will require some, though very slight, explanation.
