By Harry H Chaudhary

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Essential C# Programming Skills--Made Easy! This book gives a good start and complete introduction for C# Programming for Beginner s. While reading this book it is fun and easy to read it. This book is best suitable for first time C# readers, Covers all fast track topics of C# for all Computer Science students and Professionals. This book is targeted toward those who have little or no programming experience or who might be picking up C# as a second language By Best Selling Author Harry H Chaudhary. The book has been structured and written with a purpose: to get you productive as quickly as possible. I ve used my experiences in writing applications with C# and teaching C# to create a book that I hope cuts through the fluff and teaches you what you need to know. All too often, authors fall into the trap of focusing on the technology rather than on the practical application of the technology. I ve worked hard to keep this book focused on teaching you practical skills that you can apply immediately...
