Packt Publishing Limited, United Kingdom, 2016. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Unleash Python and take your small readers on an adventurous ride through the world of programming About This Book \* Learn to start using Python for some simple programming tasks such as doing easy mathematical calculations. \* Use logic and control loops to build a nice interesting game. \* Get to grips with working with data and, once you're comfortable with that, you'll be introduced to Pygame, which will help you wrap up the book with a cool game. Who This Book Is For This book is for kids (aged 10 and over). This book is intended for absolute beginners who lack any knowledge of computing or programming languages and want to get started in the world of programming. What You Will Learn \* Start fiddling with Python's variables, build functions and interact with users \* Build your own calculator using the Math Library \* Train Python to make logical decisions \* Work with moving 2D objects on-screen \* Understand the Pygame Library and build your very own game! \* Write a cool program to manage inventories in your backpack In Detail Kids are always the most fast-paced and enthusiastic learners, and are naturally willing to build stuff that looks like magic at the end (when it works!). Programming can be one such magic. Being able to write a program that works helps them feel they've really achieved something. Kids today are very tech-savvy and cannot wait to enter the fast-paced digital world. Because Python is one of the most popular languages and has a syntax that is quite simple to understand, even kids are eager to use it as a...
