Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Her Name Was Lola (New edition), Russell Hoban, 'This is it .this is my destiny woman,' Max blurted out when he first met Lola at the Coliseum shop. Not only was she aristocratic and wild at heart, but the two discovered an uncanny convergence of musical tastes. Soon they were converging at every level - Lola filling Max's emptiness and vice versa. But Max had also always craved the recognition of another sort of woman, the sort who had been Homecoming Queen at her high school - just as the tempting Lula Mae Flowers had been back in Texas. Why did Max have to meet Lula Mae just when he'd found his destiny woman in Lola? And if Lola embodied everything Max longed for, how could there be anything left over for Texan ex-Homecoming Queens?.
