Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, Essential Spanish Verb Skills, Rogelio Alonso Vallecillos, Take the next big step on the road to fluency in Spanish. "Essential Spanish Verb Skills" makes it quicker and easier than ever to master correct Spanish verb usage - a major step in developing mature Spanish-language communication skills. Most verb books give you verbs in a vacuum, focusing mainly on conjugating tenses. "Essential Spanish Verb Skills", in contrast, shows you how to apply correct verb usage to sentence building. Using dozens of real-world examples and exercises, author Rogelio Alonso Vallecillos goes beyond conjugation to demonstrate how verbs function in both formal and everyday spoken and written Spanish. And he shows you how to integrate them into meaningful sentences of your own. A powerful learning tool for serious, intermediate-level Spanish-language learners, "Essential Spanish Verb Skills": takes a unique 'through English eyes' approach to explaining the Spanish verb system; features special chapters devoted to confusing verbs; provides dozens of practical exercises; contains tables that efficiently resolve troublesome issues; and, includes a handy appendix of common verbs and the prepositions that go with them. If all you want is to memorize enough verb conjugations to pass your Spanish mid-term, then any verb book will do. But if you're ready to put the finishing touches on your mastery of verb usage, "Essential Spanish Verb Skills is for you".
