Ever since Dr. Jay Polmar was a child, he believed in intuition, and in his teen years, he had numerous experiments in the laws of physics which showed him that a rapidly moving force coming in contact with a barrier of sufficient size and weight, causes cranial injuries and over time - recognition of intuition. Starting at age 19, those experiences of being in a rapidly moving Karmann Ghia in a downpour coming in contact with the back of a stopped Dodge Station wagon, opened Jay s consciousness - 16 stitches in the head, and not knowing who he was, he was put on a bus from Jamesburg, NJ where we was stitched up in a doctor s basement in 1965 - back to an address on his driver s license. Bloody bandages and dizzy, he opened to a whole new world. Although he d read books about intuition and to develop it, it wasn t until age 31 that he had the experience of trusting that intuition. He s intuitively written over 60 books that have helped almost hundreds of thousands of people worldwide. At age 67, Dr. Jay Polmar put together the techniques he learned and practiced in these 45+ years that opened Dr. Jay s intuition. - Special meditations - Suggestions and Visualization - Quick Study Methods You won t have to crack your head open, it s been designed to feel as good as a visit to the beach. Just enjoy!.
