The course begins with the first and ends with the seventh grade. When used in schools where first grade music consists of Rote Singing only, the course outlined in the Manual would begin with the second and end with the eighth grade. The Manual is in two parts: Book One contains the material for the first three years in the study of tone and rhythm. Book Two contains the material for the fourth, fifth, sixth and seventh years in the study of tone and rhythm. Book Two also contains supplementary material for Advanced Dictation. Music Writing Books Beginning with the third year, each pupil should be provided with a Music Writing Book in which to write the lessons outlined in the Manual. Third year pupils use Music Writing Book No. I. Fourth year pupils use Music Writing Book No. II. Fifth year pupils use Music Writing Book No. III. Sixth and Seventh year pupils use the Music Writing Tablet. The following general suggestions are offered concerning the use of the Manual: 1. Look over the material for the entire month and begin all features of the work early in the month. 2. Keep all activities progressing throughout the month. 3. Have a plan for each lesson; work rapidly, and avoid wasting time by useless questions. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
