

Electrical Illuminating Engineering (Classic Reprint) (Paperback)

By William Edward Barrows

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Electrical Illuminating Engineering This book had its origin in a set of notes compiled and developed by the author for use in his classes. At that time there was no thought of publishing the material and no record was made of the sources of information. However, the work of Professor Wilbur M. Stine on Photometrical Measurements was consulted freely and in that department of the subject will be found a valuable reference. Much of the material was obtained from the Transactions of the American Institute of Electrical Engineers, the Proceedings of the National Electric Light Association, and the Transactions of the Illuminating Engineering Society, as well as from the Illuminating Engineer, the Electrical World, the Electrical Age, the Electrical Review, Science Abstracts, and other technical periodicals. The absence of a satisfactory text in Illuminating Engineering and the hope that a book of this nature might be of service to the profession prompted the development of the work to its present condition. Throughout the book there is little descriptive detail. The size of the book necessarily...
