Not illustrated. 1879 Excerpt: .longer term than it accords in the case of his later and presumably more mature works, or give protection for a great number of years in the case of a man who writes a book at twenty-five and lives to be seventy, and for a much smaller number of years in the case of a man who writes a book at twenty-five and dies at thirty. A fixed term of half a century from the date of registration, that date being necessarily affixed to a book, in order to make the republication of it illegal, 40 ON THE CARE OF BOOKS. ON THE CARE OF BOOKS. (From the London Saturday Review.) The spread of circulating libraries, it is to be feared, does a great deal to foster bad habits in the care of books. These institutions tend to breed a democratic disrespect of the personality of...

Reviews

I just started off reading this article pdf. It is probably the most remarkable ebook we have gone through. It is extremely difficult to leave it before concluding, once you begin to read the book.
