Reviews

Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Jacquelyn Wheeler, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Ashlyn Woods seems like an average college student: going to classes, riding her bike, and spending time with her boyfriend, Kai. But Ashlyn is far from average . . . she is a Soterian, a person who develops special powers to fight evil. When a car manufacturing plant in Minnesota is shut down because of a merger, putting an entire town out of work, Ashlyn struggles to balance school, her training, and her sometimes fragile relationship with Kai while fighting against the corruption that is threatening thousands of innocent people. But when she and the other Soterians discover that a new factory in Mexico holds the key to a dangerous secret, Ashlyn is reminded that nothing is as important as the ever-present threat of Deimos, the ultimate source of evil, who knows much more about Ashlyn and her loved ones than she had ever feared.
