

## Remodeling: A Way to Strengthen the Department of Homeland Security Internal Management and Partnering Capability (Paperback)

By Joint Forces Staff College

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Since its inception in 2003, the Department of Homeland Security (DHS) has been chartered with the vital mission of orchestrating a unity of effort approach among a variety of organizations in the homeland security enterprise internally and arguably across government, to protect the homeland from threats to our nation's way of life. After nearly a decade championing the homeland security mission, DHS appears to be at an inflection point in its short history, wrestling with where it has been, and using lessons learned to determine its way ahead. Multiple U.S. Government Accountability Office reports state the Department of Homeland Security remains at high risk of failure due to internal and external management challenges. To holistically address these risks, the author proposes a conceptual framework to remodel the current Department of Homeland Security organization and create a Homeland Security Integration Element (similar to that of the Department of Defense [The Joint Staff model]) to act as the focal point for integrating internal Department of Homeland Security operations and facilitating interagency coordination and collaboration with the goal of building...
