

Telling Stories: A Short Path to Writing Better Software Requirements

By Ben Rinzler

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, *Telling Stories: A Short Path to Writing Better Software Requirements*, Ben Rinzler, From System Designers to Top Management, Everyone loves a good story Once upon a time, it was well understood that stories teach better than plain facts. Why then are most software requirements documents a baffling hodge-podge of diagrams, data dictionaries, and bullet points, held together by little more than a name and a staple? *Telling Stories* teaches you to combine proven standards of requirements analysis with the most ancient and effective tool for sharing information, the narrative. *Telling Stories* simplifies and refines the classic methods of Structured Analysis, providing organization, design, and old-fashioned writing advice. Whether you're just getting started or an experienced requirements writer, *Telling Stories* can help you turn dull, detailed material into an engaging, logical, and readable story, a story that can make the difference for your project and your career. Learn why readers believe and remember what they learn from stories Work with team members to gather content, tell their stories, and win their support Use stories to find every requirement Create diagrams that almost tell the story on their own (while looking...

Reviews

Just no terms to describe. This is for those who statte that there was not a worth studying. I am just easily can get a enjoyment of studying a written ebook.

-- Deshawn Roob

Most of these pdf is the best book readily available. It usually is not going to expense a lot of. Its been printed in an exceedingly easy way which is only soon after i finished reading this publication in which actually transformed me, change the way i really believe.
