Rizzoli International Publications, United States, 2011. Hardback. Book Condition: New. 287 x 262 mm. Language: English . Brand New Book. A first-of-its-kind celebration of the California Art Club, a society whose members have for one hundred years captured California's staggeringly beautiful landscapes in resplendent plein air paintings. At the dawn of the twentieth century, California became home to artists from all over America and Europe who aspired to depict the state's awe-inspiring natural landscapes on canvas. In 1909, these artists founded the California Art Club, which stands today as one of the most esteemed painting societies in the United States. The club has achieved distinction for its commitment to plein air painting, an Impressionistic style in which painters work outdoors in order to capture the ephemeral moment when the natural lighting of a landscape elevates an already beautiful scene into something sublime. Celebrating a century of unique artwork, this volume presents impeccable images of the art club's masterworks, including unforgettable paintings of California's stunning and varied beauty--desert vistas, plunging coastlines, verdant vineyards, charming towns, and snow-topped mountains.
