BookBaby, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Many people believe that hearing God is about receiving right direction or right information from God for good decisions in life. Hearing God is much more intimate and real. If hearing God is merely about knowing what to do in life, then knowing what to do can become our god. In this book Ted J. We will then be left with an understanding of Gods voice to our hearts. Hearing God is about knowing God. The author presents the hindrances to hearing God as well as keys to tuning into the frequency of Gods voice in our lives. The material presented in the book has changed the lives of many people through a proven track record of teaching for the past fifteen years. My daughter-in-law, Amani Hanson, designs my book covers. I had given her a concept of hearing God in our hearts. I gave her some ideas but put it in her hands to discover what it was that would...
