

Where Code and Content Meet: Design Patterns for Web Content Management and Delivery, Personalisation and User Participation

By Andreas Rueping

John Wiley and Sons Ltd. Hardback. Book Condition: new. BRAND NEW, Where Code and Content Meet: Design Patterns for Web Content Management and Delivery, Personalisation and User Participation, Andreas Rueping, A practical go-to reference for Web developers programming custom software for Web sites Most advanced Web sites or Web platforms have specific requirements that go beyond standard functionality; to meet such requirements, it's often necessary to develop custom software. This is the point where code and content meet, and where this book begins. Where Code and Content Meet presents a collection of real-world, tried and tested patterns that address content-related aspects of custom software development for advanced Web sites or platforms. Mined from a series of successful Web projects, the patterns represent collected expertise of designers from several software development teams and serve as a practical guide to designing your own content-related custom components for your Web project. The patterns are independent of specific tools and technologies, and focus on non-functional requirements, with the overall goal of defining sustainable software architecture. Presents a collection of tried and tested software patterns mined from a series of successful Web projects Includes checklists for managing Web projects and real-world patterns from PLoP conferences...
