Francis Scott Key wrote the poem that became our country s national anthem in celebration of America s surprise victory over Britain in the War of 1812. It was sung for more than a century before it became our country s official national anthem in 1931. Using primary sources, young readers hear the story behind how the poem became a song and then a national anthem that is sung to this day. Engaging text, colorful photos, sidebars and a variety of primary sources introduce readers to the Star Spangled Banner.
