Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.On a zoo sleepover, Ivan Zelinka gets mixed up with a couple of semi-mad scientists who inject his leg with top-secret gorilla serum. Soon the muscles on his right leg are bulging and his skin is covered with thick black hair. Most high school students would be horrified by such a transformation. But did I tell you that he s the place kicker on his high school football team? Horror gives way to delight as Ivan finds himself booting fifty-yard field goals and punting the ball into the stratosphere. The Bulldogs are winning for the first time in their history. Ivan s dating the adorable Kipper Swanson. And the fans love him. He s even got his own cheer, which fans chant when he lines up to kick: Super Booty, Super Booty, ooh, aah! But on the flip side, he s worried about turning into a full-fledged gorilla. Goodbye, Super Booty. Hello, Gorilla Boy. And the scientist who s supposed to be working on a cure is a behemoth named Elko. When Elko s not threatening to crush someone into a ball or spray them with his personal blend of knockout gas, he s betting on football - including Ivan s high school games. By the big game, Ivan must decide whether to fully transform himself into Super Booty or return to being plain old Ivan. Super Booty is a great read for anyone who has fantasized about having superpowers or simply loves a funny story.
