By Newman Hall

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The American War: By Newman Hall In this lecture I propose briefly to trace the course of American history in relation to the present war, and then to reply to the questions - Had the South a right to secede? Is the North justified in waging war to restore the Union? How far is the question of Slavery mixed up with the quarrel? On which side should the sympathy of England be enlisted? The quarrel between the North and the South, though it has only just developed in war, is of long growth. There are physical differences of climate, causing differences of labor, of production, of commercial interests, and of character. Added to this, we must bear in mind the original difference between the colonists. The North was peopled chiefly by the puritan and republican party, escaping from the tyranny of the Stuart kings. The South was peopled chiefly by the cavalier, aristocratic, and monarchical party. The result of the combined action of difference in the original settlers, and difference in the physical features of...
