Brand New Book ***** Print on Demand *****.What can I say in just a few words to convince you to read this book? I know! To get you interested in this story, I ll give you a tad bit of information on the main character, Crevis Josh. I don t think there is a dictionary that has an appropriate adjective to describe him. Crevis was selfish as a child and adult. You know what I m talking about, self-centered people, the ones who think entirely of themselves. Because of his selfish attitude, he never had the goodness of a true friend. After his parents were killed in a hot air balloon crash, Crevis moved to England; evil, wicked, rich, and alone. Loneliness had taken a toll on him. He moved back to the island of Porant because it was his home, and he owned the island. It didn t take him long to earn the title, Evil Wicked Rich. The citizens didn t want him there. What could they do? What will happen to them? Will they be forced to leave the island? Will they become Crevis slaves and worship him as a god? Is there anyone in the world who can convince him to change from evil to good? To find the answers to all of these appalling questions is to embark on this attention-grabbing journey with children s author Gayle Graves to discover the outcome.
