Lustre Press/Roli Books, New Delhi, India. Hardcover. Book Condition: New. Dust Jacket Condition: New. The temples of Khajuraho represent the finest in the medieval Indian tradition of architecture and sculpture. Remarkable not only for the grace and beauty of their figures, but also for the erotica displayed on their inner and outer walls, these temples remain enigmatic in many ways: Why were they built? Why the erotics? Why such a large concentration of temples in such a small area? This little book attempts some answers, but most of all to prove that there is no questioning the beauty and artistry of the love sculptures of Khajuraho. Printed Pages: 63.
