The Rise and Fall of the Third Reservoir is a combination love story and adventure with a little comedy sprinkled in. As a story of fiction based on non-fiction, it is the tale of a young man growing up along the Delaware and Mongaup River valleys in the Catskill Mountains of upstate New York; his love for both his grandfather and the girl who everybody shunned and the disaster that occurred on the day when the dam for one of the three reservoirs built on the Mongaup River collapsed. Influenced by and amazed at the knowledge and talents that his grandfather possessed, Andy found it difficult to emulate him until he realized that nobody was capable of doing that either. His grandfather Herm was of a rare breed with the qualities of knowledge, experience and common sense. The town folk would rely on Herm and lean on him when something was needed to be decided, fixed, built, torn down, moved, brought back, bought, sold, etc., etc. He was the E.F. Hutton of his time; when he spoke,...
