THE DOKSANY LEGACY (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.It s winter 1987. Mohsen Raza, merciless head of Iran s feared Revolutionary Guard hunts millionaire oilman Declan Doyle, whose personal undertaking to deliver the Geneva Project . a vital offshore oilfield installation in the Persian Gulf, crucial to the survival of an Iranian economy, weakened by the war with Iraq . has proven worthless. Englishman Doyle, desperate to escape Raza s retribution and save his company, makes a frantic last throw of a set of dice loaded heavily against him. Evading Raza s forces he flees the tiny Arab state of Abu Nar, feverishly bent on seeking the truth in a dying man s story of Nazi treasure, one great enough to finance and complete the Geneva Project, saving him from a possibly agonising end at Raza s hands. With nail-biting action from the start, Doyle s frantic escape from his Iranian hunters leads him through dangerous, unpredictable Mujahideen-controlled Pakistan, onward to Northern Europe and finally to the Arab enclave of Dhofar, a desolate place that holds the key to possibly saving his life . a life spent cheating and ruled by greed for which he knows, inevitably, a price must be paid. What Doyle cannot know is his chequered past and discovery of much sought after Nazi treasure, has set other hunters on his trail . and Mohsen Raza may not end up being the very worst of them. The Doksany Legacy . the much-anticipated sequel to Quentin Cope s highly successful action and adventure novel The Geneveh Project, is an un-put-down-able tale of stark terror and final retribution for a lone, desperate man fleeing some of the most feared adversaries in the...
