BIRD NOTES Every year boys and girls in New York State are learning to know ta birds better. We are receiving hundreds of letters from rural schools ia which teachers have this year helped the children to establish feeding stations for the birds, and have encouraged the building of bird houses We are constantly receiving excellent descriptions of birds that the children have seen, but the names of which they do not know. The descriptions are improving, and the expert is nearly always able to give the right names of the birds described. These are sent to the schoob. All young persons who are now making effort in country districts to have the New York State farms the best in the world are taking an interest in birds, because knowledge of bird life is important to good farming. Added to this is the fact that song birds give joy in country places, and that through the years farm folk are going to take greater interest in then as they come to know them better. There are a few birds that arctroublesome, and whenever they cause disturbance in your locality, your parents will be able to get information regarding the means of controlling them by writing to the State College of Agriculture. It is a mistake for boys and girls to think...
