*The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*

This little fairy will enchant you with her beautiful outfits made from delicate flower petals, leaves, and berries that change with the seasons. For spring she wears the first blooms of the year that pop out of the ground the daffodil and crocus. During the warm summer months you can find her in a morning glory, rose, or daisy costume. When the weather starts to turn colder in autumn, she puts on her oak leaf dress and acorn hat, or a chrysanthemum skirt. Her favorite season is winter when she dresses up in her gorgeous Christmas gown, or in her adorable holly leaf and berry outfit. Just lift off the stickers and place them on the doll located on the inside back cover. The stickers can be used over and over, so be sure to put them back on the pages of the book to store them.
