 Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What happens when Beauty becomes the Beast . . . ? A vampire who has slaked his taste for terror through centuries of history's darkest eras puts a hold on his covert attacks on America in order to pursue a secret vendetta against a beautiful bi-racial woman who has scorned him. But the woman has a secret of her own. She is a metamorph, a hybrid shape-shifter with the healing powers of the vampire, the heightened senses and strengths of the werewolf, and the needs that accompany both. Needs that conflict with her strong moral code; needs which compel her to conceal her extra-human identity from the mortal man she has grown to love. Metamorph combines known history with speculative fiction, a strong female protagonist, and the pitting of a creature of unmitigated evil against a pair of unsuspecting lovers in a complex cat-and-mouse pursuit.

*This book will be worth getting. Better then never, though i am quite late in start reading this one. Its been written in an extremely basic way which is only right after i finished reading this book through which actually altered me, alter the way i believe.*

*The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).*
